President's Message:

Season 2 is well underway and we trust all our players have settled in, met their fellow players and are enjoying their tennis. Progress scores for matches played will be posted on our notice board.

Some important reminders for Players, Captains and Parents are as follows:

Players:

- Arrive on time for play.
- Notify your captain at the earliest possible moment if you are unable to play to enable a replacement player to be found. Make sure you **remind** your captain of the dates you are unable to play closer to the time. If your captain has not confirmed you are playing each week, **ring** him/her to confirm.

Captains:

- It is **your responsibility** to make sure your players are aware who is playing and who is on bye each week for your team.

Parents / Carers:

- It is really **important** that the **Parent on Roster** attends for the whole session. The duties are not onerous and make a big difference to the player's enjoyment on the day.
- A friendly reminder for supporters not to interrupt umpires during play.
- A reminder it is your responsibility to ensure players are collected promptly at the conclusion of each session. If you are running late please ensure your children are aware to wait outside the front door of the UQ pro shop.
